PROFESSIONAL EXPERIENCE

FRONT END WEB DEVELOPER, WEB DESIGNER
ADBEAM LLC || Burbank, CA || 2019 – 2022
- Contributing directly in launching and marketing of a new product
- Starting from the scratch by creating the logo of a new product, product and lifestyle photography and videography
- Editing and preparing a product related content to be used in different formats and platforms
- Creating and publishing user friendly and mobile-first articles and landing pages for a new product (mostly done in Webflow and Shopify)
- Configuring, preparing and launching product checkout pages with responsive design using HTML, SCSS, PHP, JS
- Tracking the changes and committing via version control system Git
- Using ClickUp on daily basis to complete assigned tasks and collaborate with the team members in real-time
- Creating the linking logic and the flow between articles, landing and checkout pages
- Optimizing viewport, images, CSS media queries and the web performance in general, testing for a cross browser compatibility.
